DEMON VAMPIRE (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Power, grace, and immortality. Everything has a price. To walk as an abomination in the night. To have power that seeps into the vein and never lets go. To know that blood draws the path that will lay the world to rest. Zack Giver is a stoic young man that walks slowly into an inviting nightmare. After he meets a young singer at a local Gothic club, his life changes forever. Demon Vampire parallels the choices of many people over the course of centuries and how they affect both the world and each other. As the morality stains the lives of all those it touches, the the future grows darker. A romance that spans time itself takes hold of a fundamental choice. The memories that form the soul are the only cost of a power that no vampire should ever hold. What would you choose? The commanding touch of a welcome stranger, or a fleeting memory that may hold the essence of what makes you unique. The Redgold Series as a whole: For fifty years, Zack has loved Kyli. Until one fateful day, she was gone. Their romance was everything a romance should be. They met, an attraction kept them together, they fought, they broke up, they longed, they reunited, and in time they married and were able to seek out all the joys life had to offer. Destiny brought them together and fate was cruel enough to tear them apart. Nothing could keep them away from each other. Not pain, distance, time, or blood. Especially when you aren t human. Even still, there is a regret in Zack s heart that remembers what happened on that day....
