DALIT'S INHERITANCE IN HINDU RELIGION

2009. Hardcover. Book Condition: New. 360 This book is about the great contribution, made by the so-called low castes, presently called Dalits, to the Hindu Religion, spiritual, social and political fields, in every period of Indian history. In the chapter Aryan Gods Versus Castes, the author has brought out in detail as to how Lord Rama, Krishna and Shiva laid the ideals of liberal society free from rigidity of castes and other man-made distinctions. The author traces the present rigid structure of Hindu Caste to the period of Manusmriti and other Smritis after 2nd century AD, though the period of mass untouchability is given as 18th and 19th century AD, which resulted out of several famines and consequent extreme poverty. The treatment of the book is on modern scientific lines dipped in spirituality, as preached by Swami Vivekananda. While highlighting the plight of Dalits in the past and present period, the author has not lost sight of whatever is good and grand in Hindu philosophy. About The Author:- Mahendra Singh, Chief Engineer (Retd.) from Central Public Works Department, Government of India has passed out brilliantly in engineering degree and became an officer of Indian Engineering Services. He contributed several papers for National and International Seminars on technical and Departmental matters. He handled several prestigious projects successfully drawing high degree of appreciations from the Govt. Authorities. He was in the news of National Media and Parliament (Questions) for resisting with his life the mafia attack on him, launched on behalf of the swindlers of public funds, due to his rendering the public service uncompromisingly. Contents:- Preface Introduction Creation of Universe, beings and Social Division Hindu Sources of Religious Knowledge Shudra's or Low Caste's Right to a Supreme Knowledge Aryan Gods Versus Caste Worship of God-Impersonal, Personal and Social Shudra's Concept of Indian...
