

Plutarch s Essays (Classic Reprint) (Paperback)

Filesize: 2.67 MB

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Sallie Wiegand)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Plutarch s Essays We learn more about Plutarch from his own writings than from all other sources; and all that he says about himself seems so frank and genuine as to conciliate belief, and at the same time respect and sympathy. He may not have been a marked man; there may have been many such men; but if there were, they have left no sign. We know not his like in all antiquity. He reminds us of the English or American country-gentleman, of superior claims on the score of birth and fortune, culture and Amoral worth, living at an easy distance from some provincial capital or university town, while so far from the metropolis as to make a visit there one of the most important events of his life, trusted and beloved by his neighbors, taking interest as a citizen and an office-bearer in local concerns however small, maintaining a generous domestic establishment, and exercising a liberal, yet sober hospitality. He would have been an eminent man had he lived in Rome, and he seems to have been received there with distinguished honor; but a single somewhat prolonged sojourn in the imperial city, whither he went on public business for his native Chaeroneia, appears to have been his only opportunity for extended intercourse with either scholars, philosophers, or statesmen. Athens, where he was educated, and Delphi, where he served as priest of Apollo - his principal sacerdotal duty being that of entertaining strangers at official banquets - were his centres of intelligence and influence; and in the best society of both these cities he evidently held a chief, probably the chief, place.
