Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Blue Light Press, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Scent of Water has the memorable imagery, engaging perceptions, and heightened language we have a right to expect in genuine poetry. But it offers something else, something frequently missing in contemporary American poetry, even though that something is what most readers still desire: a personal voice speaking meaningfully about real life. Barone has been writing notable poems for thirty-five years, long enough to slalom over the waves of both confessional and language school poetry. Like the one true horse in one of her poems, by forgetting the race she has found her own inimitable dance, and it is not to be missed. -Kay Cavanaugh Barnes, author of *Mortal Means* There are poems in this book I adore, the others I simply love. Imagine a woman on a path stopping to examine something she s found, and you discover in her description a new world. Barone makes this happen by using exact language and music in precisely right images and quirky insights: Nature is a maniac for sperm. I hate the tyranny of windows. Her world is family, home, garden and the river; like Brueghel in his art, she s made scenes of their appearance on earth into a record of time. -Sharon Chmielarz, author of *Calling In* The Scent of Water Patricia Barone has united poems of the personal with poems that engage the larger world and its chaos. We re sinking through the river silt to bedrock, the poet writes as she leads us deeply into nature and our own natures. With authentic insight, she describes what is at the border between the visual and the visionary, the ordinary and the ineffable, and gaining...
