Just new in the market. A must read for everyone that wants to know Africa from a real perspective of Africans as never written or told before. Refresh your memories with these questions about Africa. If you think you know Africa well. Do you know why the Ibos are called the Jews of Africa? Do you know that some African tribes trace their ancestry to Baghdad and Yemen in the Middle East? Does it take acts of terrorism in Kenya and Tanzania and the recent bombing of Israeli Hotel in Kenya for you to know that Africa is part of the world that must be secured if the War on Terror is to succeed? Do you know why Prince William chose Out of Africa as the theme of his 21st birthday regarded as the Rite of Passage in African context? Do you know that female circumcision is a crime in some African countries and recently more African nations have imposed penalties of five to ten years imprisonment against anybody that circumcised her daughter? Are you aware that economic and changing cultural forces coupled with the campaign by UN-funded family planning agencies campaigns are redrawing Africa s family size and population more than HIV/AIDS or as a result of any epidemic that plagues the African continent? Do you know that females dominantly populate African schools, from Elementary Schools, High Schools, Colleges and Universities? If your answers to these questions are still in doubt. then this book is a must read. It is a thrilling book with real facts, figures and opinions of subjects from various corners of African continent as never seen in...
