Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Pen Sketches, Vol. 1 of 2: By a Vanished Hand From the Papers of the Late Mortimer Collins Some thirty miles from Megalopolis, Miles also from the shrieking griding rail. On a high road where once the four-horse mail Flashed gaily past - so placed my cottage is: Boars merrily now the wind tall limes between, Which guard my quiet lawn, a triangle scalene. And you may see me, if you pass this way, Lean on my gate and look into the road, And listen to the skylark s joyous ode - Thoughtful, not oft cigarless. Will you say, Who wears that velvet coat, a trifle tattered, That curious cool straw hat which wind and rain have battered! Yes, we have passed that way, and have entered the gate and received that hand-grasp, which, to quote Mortimer Collins himself, would crush the paw of a hypocrite. We have walked some miles from the railway station on a broad, white road - the great Bath Road that stretches from London to Bath - have left Maidenhead Thicket a mile or two behind, and have arrived at a point where an old inn stands back from the road with its long line of stables, reminding us of the time when the four-horse mail flashed gaily past. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
