Leadership Skills For Managers, Supervisors and Team Leaders

By Louis Tagliaferri

Paperback. Book Condition: New. Paperback. 158 pages. The purpose of Leadership Skills: For Managers, Supervisors and Team Leaders is to provide organizational leaders and candidates for these positions with the fundamental knowledge and skill development that they need to succeed as leaders in today's business environment. The book focuses on the nature of the role that most managers and supervisors are required to fulfill as they strive to accomplish things through others, which is the essence of leadership. It recognizes that the many managers and supervisors in business, industry, government and other organizational sectors have been appointed to their current positions mainly because of their technical skill - not because of their leadership ability and that while some people are born leaders, the majority are not. Therefore, if a person is to succeed as a manager, supervisor or other organizational leader, he or she must acquire leadership skills through training and experience, which is exactly what the author provides the reader in this highly informative and instructive book. The book consists of twelve chapters that focus on essential leadership skills including: Understanding The Role and Responsibility of a Leader, How to Build a Winning Team, How to Manage Diversity, How...
