The Narcissist's Vocation and the Economic Debacle (Paperback)

By Greg Horsman

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.At the end of the first decade of the 21st century it is beginning to dawn on more and more people that things changed dramatically over the prior three decades. The worldwide financial debacle was a wake up call that these changes are real, and they are significant. The decline in the stock market from the fiasco of asset-backed commercial paper is a consequence of a culture that peddles entitlement, greed and self-centeredness. These characteristics are associated with extreme individualism. The problem is not about the fundamentals of capitalism; it is about culture. Individualism is a balance between self-reliance, personal responsibility and egotism. The rise of individualism is about people living and acting as individuals rather than as members of a larger group. In addition, the belief that one must do whatever he can to achieve positive self-esteem has become a movement with broad societal effects. Today, the cult of self-esteem has migrated from the schools into the workplace. In the culture of extreme individualism, a sense of entitlement gives people the perceived high ground; at the same...
