It comes as a shock to all one day when news suddenly arrives in Caernarfon that an army is marching toward them to make war. King Stephen refuses to believe his old friend the Duke of Conwy would turn against him and, despite his councils warnings, he delays taking action in order to find out the truth of the matter. Noble has gained the respect of both king and kingsmen, and consequently is sent to discover who is actually behind the coming assault and why. Noble sets out for Conwy with his friend, the kings stable boy, Jamie. Posing as simple peasant boys out for a hunt, it does not take them long to encounter the army and danger, as well. If they are found out to be spies, it will go very badly for them very badly indeed. What is the secret hidden in the heart of the army camp And friend or foe who is the strange girl they literally stumble upon Who can he trust Noble begins to realize that he is searching for not only answers, but a way to stop the war altogether! Quest for the Kingdom, the second volume in the Noble Heart series, reunites us with Sir Noble Heart, formerly known as Noble Talbot, a simple country lad who has unexpectedly become one...
