UNDERSTANDING AN ATHEIST: A PRACTICAL GUIDE TO RELATING TO NONBELIEVERS (PAPERBACK)

Dividedundergod.com, United States, 2014. Paperback. Book Condition: New. 193 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Everyone knows an atheist. You may not know it, but you do. Many atheists are closeted because of the social and familial stigma that comes with being an open atheist in a society full of religious believers. Often referred to as the fastest growing demographic in America, those with no religious affiliation make up about 10-15 of the US population. That means it's likely that 1 out of every 10 people you know either doesn't subscribe to an organized religion or doesn't believe in a supreme being at all. Understanding an Atheist is a book written by Kevin Davis, head writer at the popular blog DividedUnderGod.com. This book was written for anyone who knows a nonbeliever, whether they're open about their beliefs or not. In it, Kevin takes you through his own experiences, raised Catholic, once devout Christian, then closeted atheist, now openly a nonbeliever and active in the atheist community. Through this journey, readers will gain an understanding of what it's like for someone to abandon faith in the supernatural and gravitate toward evidence-based reasoning, ultimately facing the taboo of being a nonbeliever. The purpose of this book is not to tear down religion or the religious, but to bring to light the issues facing your atheist friends and family. If you have a friend or family member who is an atheist you might have thought, Is it ok to pray at meals when they're over for dinner? Why do they hate God? What do they think happens when we die? Should I bring up their atheism in conversation or just ignore it? Why don't they just go to church just...
