

Hot Commodities: How Anyone Can Invest Profitably in the Worlds Best Market

By Jim Rogers

Random House Trade. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 7.9in. x 5.2in. x 0.7in. The next bull market is here. Its not in stocks. Its not in bonds. Its in commodities and some smart investors will be riding that bull to record returns in the next decade. Before Jim Rogers hit the road to write his bestselling books Investment Biker and Adventure Capitalist, he was one of the worlds most successful investors. He cofounded the Quantum Fund and made so much money that he never needed to work again. Yet despite his success, Rogers has never written a book of practical investment advice until now. In Hot Commodities, Rogers offers the lowdown on the most lucrative markets for today and tomorrow. In 1998, gliding under the radar, a bull market in commodities began. Rogers thinks its going to continue for at least fifteen years and hes put his money where his mouth is: In 1998, he started his own commodities index fund. Its up 165 since then, with more than 200 million invested, and its the single-best performing index fund in the world in any asset class. Less risky than stocks and less sluggish than bonds, , commodities are where the...
