Harmonic Secrets of Arabic Music Scales: Fine Tuning the Maqams

By Cameron Powers

GL Design. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 10.9in. x 8.4in. x 0.4in. Ancient Musical Masters Knew The Secrets of Musical Ecstasy and Healing! For Music to Create Its Deepest Magic, Perfect Harmony is Needed! Most People Do Not Realize That Modern Musical Scales Are Not In Tune. . . Much of the Magic Has Been Lost! This Book Presents The Musical Magic of the Indigenous Middle East, Andalusian Spain and tastes of traditions from India and Asia. For the last hundred years European and American musicians have used the equally-tempered pitches of the modern piano keyboard. Ancient modal musical systems have been forgotten. They didnt fit into this system and many kinds of mathematically perfect harmonies have nearly vanished from conscious music traditions in the West! Perfect Harmony Makes People Feel Really Good! It really is a kind of magic! This book offers what every musician really needs to know: ultimate tools for performance and composition! I dont know the song you just played but it feels like its in my DNA! --Typical Audience Response. Now in the twenty-first century we have an increasingly flexible music technology: all the instruments with microtonal musical capabilities such as violins, cellos,...
