

## When the People Speak: Deliberative Democracy and Public Consultation

---

By James S. Fishkin

Oxford University Press. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., When the People Speak: Deliberative Democracy and Public Consultation, James S. Fishkin, All over the world democratic reforms have brought power to the people - but under conditions where the people have little opportunity to think about the power that they exercise. Do we want a democracy inspired by Madison or by Madison Avenue? A democracy animated by deliberation or by manipulation? This book examines each of the principal democratic theories and makes the case for a democracy in which the people offer informed judgments about politics or policy. It then goes on to show how this form of democracy can be made a reality. When the People Speak describes deliberative democracy projects conducted by the author with various collaborators in the US, China, Britain, Denmark, Australia, Italy, Bulgaria, Northern Ireland, and in the entire European Union. These projects have resulted in the massive expansion of wind power in Texas, the building of sewage treatment plants in China, the crafting of budget solutions in a region in Italy, and greater mutual understanding between Catholics and Protestants in Northern Ireland. Critics of deliberative democracy say that it will privilege...

### Reviews

*Without doubt, this is the very best function by any writer. It typically will not charge too much. I discovered this publication from my dad and i encouraged this pdf to discover.*
