Love Art, Love Learning Welcome. Designed to expand and inspire young minds; this is a range of short educational books (with supporting free online resources) for ages 7+. At least one math statement and its accompanying calculation is always included. Concentration. Each book is in the friendly first person and a trail of footprints always leads to a cartoon animal at the end. The author asks questions of the reader and there is always a quiz. These features keep kids engaged and encourage them to form their own opinions. There is a high ratio of images to text. ABOUT JUNIOR LEONARDO DA VINCI Da Vinci was of course far more than a great artist.
