Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Historical Outline of the American Colonization Society: And Remarks on the Advantages and Practicability of Colonizing in Africa; The Free People of Color From the United States The Sixth Annual Report of the American Society for Colonizing the Free People of Color of the United States; with an Appendix. Washington City, 1823. If we should be thought to come forward at a late hour, in noticing the labors of a Society, formed in this country more than seven years ago, for the purpose of adopting some efficient plan of colonizing the free people of color, we trust our negligence will be attributed to any other cause, than a want of deep interest in the objects of the Society, or indifference to the zeal with which these objects have been pursued. The broad foundation on which the schemes of this Society are built, as well as the character of its patrons, raises it to an importance, not to be claimed by any other private association in this country. Its aims have a pointed bearing on our political concerns, and, if successful, cannot fail to operate most favorably on our civil institutions, and our domestic peace and happiness. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
