Filesize: 9.45 MB

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Salvador Lynch)

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Playlist for the Dead, Michelle Falkoff, A moving, poignant, compelling YA debut, as a 15-year-old boy struggles to understand his best friend's suicide through the list of songs he leaves behind. Here's what Sam knows: There was a party. There was a fight. The next morning, his best friend, Hayden, was dead. And all he left Sam was a playlist of songs, and a suicide note: For Sam - listen and you'll understand. As he listens to song after song, Sam tries to face up to what happened the night Hayden killed himself. But it's only by taking out his earbuds and opening his eyes to the people around him that he will finally be able to piece together his best friend's story. And maybe have a chance to change his own. Part mystery, part love story, and part coming-of-age tale in the vein of Stephen Chbosky's *The Perks of Being a Wallflower*, *Playlist for the Dead* is an honest and gut-wrenching first novel about loss, rage, what it feels like to outgrow a friendship that's always defined you - and the struggle to redefine yourself.
