Reviews

It is straightforward in read through preferable to fully grasp. It is really simplistic but excitement in the 50 percent of the pdf. Your life span will be enhance once you comprehensive looking at this pdf. (Jorge Hammes)

PENSION PLANS: SURVIVOR BENEFIT COVERAGE FOR WIVES INCREASED AFTER 1984 PENSION LAW: HRD-92-49

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO provided information on survivor pension benefits for widowed individuals, focusing on: (1) the prevalence of survivor pension benefits; (2) the relative size of survivor benefits received by widowed men and women; (3) the rate at which married pension retirees are retaining a joint and survivor (J and S) annuities; and (4) whether the rate of J and S annuity retention has changed since the Retirement Equity Act of 1984. GAO found that: (1) in 1989, about 3 million widowed Americans age 65 and over received survivor benefits based on the pension of a deceased spouse; (2) women comprised virtually all benefit recipients and received an average of about twice the benefits of men with survivor benefits; (3) survivor benefits are an important source of income for widowed women, since they are less likely to have a pension based on their own employment; (4) as of 1989, about 3 million of 5 million pensioners had retained the J and S annuity; and (5) survivor benefit coverage for wives of private-pension retirees has increased since the act, as evidenced by the 15-percent increase in the rate at which married men retained the J and S annuity after the spousal consent requirement took effect. This item ships from La Vergne, TN. Paperback.
