Liverman brings a revolutionary perspective to inspire every role in education based on front-line experience. Her words of inspiration are not only empowering, but they also expose methods for success in the classroom. Included in this book is a section that inspires education through poetry, including Why You Were Sent, the heart-felt poem that inspired her article, Teachers: Don t Stop Believing, published in the April 2011 issue of the Virginia Journal of Education, the Virginia Education Association s official magazine. Mrs. Liverman s memoirs reveal the passion that led to her creation and implementation of a successful after-school program for eighth grade, female students, G.I.R.L.S. with P.E.A.R.L.S., that enhanced their emotional, social, and academic growth and development while completing their last transitional year in school. Read this inspirational book to see how one educator became an Educarer.
